Hi, AJ - so sorry I didn't respond sooner. I'll just try to attend whatever date / time works best for you and Chuck (and then just catch up later if I'm not able to make it, as you suggested.)

Thanks!

Michelle

Hi Michelle! I will leave that up to the two of you – if you would like to attend, the more the merrier! Or we can always reach out afterwards if something budget related is mentioned.

Let me know what you would prefer.

Thanks!

Hey, AJ -

My availability during those days is listed below (and a little limited). Just FYI, I primarily work on the grant budgets and grant action assembly/submission -- if the review will be mostly programmatic, please feel free to leave me out if you feel that's appropriate and scheduling becomes an issue.

- Monday, 9/27: 1-3
- Wed, 9/29: 11-12

Thanks!

Michelle

Good afternoon!

The VADEQ Community Scale Air Toxics grant (XA96388301) that ends on 9/30/23 was selected for advanced monitoring. I would like to set up some time the week of Sept 27<sup>th</sup> to conduct the review - it shouldn't take more than 30-45 minutes.

The advanced monitoring is just an in depth discussion on the grant progress, project issues and workplan commitments. After the review we will provide a report for your records. Let us know if any of these dates work for you and I will send out a MS Teams invite. Also, let me know who else I should include on the invite. Thanks and have a great day.

Monday, September 27<sup>th</sup> @ 1PM-5PM

Tuesday, September 28<sup>th</sup> @ 9-11AM or 1-2PM

Wednesday, September 29<sup>th</sup> @ 11AM-noon or 3:30-5PM

Thanks!

*AJ McCullough*
